

Four WesTex couples represented our Chapter at the Six State Rally in Shawnee, OK following our Amarillo Rally. Making the trip were Ron & Michelle Drinkhouse, Sharon & Dan Ives, Bill & Caryl Mahaffey and Richard and Jan Parcels. We set up a table at the Chapter Fair and had 22 couples sign up to receive more information on WesTex. I will be doing a letter to them this coming week. There were 347 RV's at the Rally. A good number of all types of new RV's were on display. Even though the Exhibit Fair wasn't as large as in the past, we all found something that we couldn't do without. Please note that it is now time for you to sign up for the Perry, GA Rally in March that will be the week before the WesTex Rally in Vidalia, LA. It is an easy drive between the two locations. See you down the road. Bill
