

RALLY WITH WESTEX

WesTex is a chapter of
Family Motor Coach Association

We meet six times a year for food, fellowship, fun, and education and to explore local points of interests close to our rally locations. Members live in all areas of Texas.

• • •

Educational seminars are held on CPR, how to upkeep our RV, Fire Safety and Escape and many more topics.

• • •

Business Meetings are held at each Rally.

• • •

An informative Newsletter is issued six times a year following each Rally. It includes registration form and information for the next Rally.

HELPING OTHERS

An F4 tornado touched down in Canton during one of our Rallies. WestTex helped by donating money to the Van Zandt County Tornado Relief Fund.

Another example of WestTex helping others - we donated money to assist in the restoration of the United Methodist Church & Parsonage in Orange, TX following the damage created by Hurricane Harvey.
